

# Upcoming business of interest and opportunities to raise Global Sexual and Reproductive Health and Rights (SRHR)

We encourage members to ENTER the ballot for a debate on 'GLOBAL Activism against Sexual and Reproductive Health and Rights (SRHR) around inauguration of Donald Trump' scheduled for Monday, 20th January 2025

Neil Datta, ED, European Parliamentary Forum on SRR, reports 'Tip of the Iceberg' and 'Restoring the Natural Order' highlight the transnational, well-financed, and increasingly coordinated movement against Women's Rights. The opposition to SRHR is centered on: Weakening governance, Weakening democracy, Weakening individual rights, and Weakening equality including in the UK Parliament and must be highlighted in UK Parliament as Donald Trump is inaugurated.
