1. Welcome & Introductions

Carol Monaghan MP welcomed parliamentarians and guests to the APPG's meeting in Westminster.

2. Any other Business

Due to votes taking place in Parliament during the meeting, Carol Monaghan MP proposed that Any Other Business be discussed before the presentations.

2.1 Carol flagged her upcoming meeting with the Quadrum Institute, whose research involves ME, and extended the invite to the parliamentarians present.

2.2 Carol highlighted that the DecodeME survey continues to seek participants and urged parliamentarians to share details on their social media platforms.

2.3 Carol raised the question of recording and livestreaming meetings of the APPG. It was agreed that every effort would be made to record and make available the presentations made to the APPG.

2.4 Minutes from the AGM were formally approved.

2.5 The next APPG meeting is scheduled for the 8 November.

3. The Experience of an Adult with Severe ME/CFS

3.1 Helen Baxter from the 25% ME Group prepared a case study on the experience of an adult with severe ME/CFS. Due to connectivity issues, Helen could not join. Sonya Chowdhury read out Helen's case study in her absence.

4. Hospital Care - Challenges from a Medical Perspective

4.1 Prof. David Strain made a presentation to the meeting on support in clinical settings, highlighting the trends in relation to cases of severe ME.

5. Specialist ME/CFS Services - Supporting People with Severe ME

5.1 Anna Gregorowski outlined the structure, objectives, and vision of British Association of Clinicians in ME/CFS (BACME).

6. The Experiences of Children with Severe ME/CFS

6.1 Sonya Chowdhury presented a case study of the experience of a child suffering from severe ME.

7. Questions & Answers

7.1 Following the presentations, the parliamentarians present took part in a question & answer session.

The meeting ended at 5pm.
