At the Inaugural Meeting at least five Members of either House, including at least one MP, must be present. Only parliamentarians are allowed to vote at the meeting.

The group must give Members at least a week's notice of its Inaugural Meeting on the All-Party Notices (APNs) published by the Government Whips' office. Please confirm that your group's membership list includes at least 20 Parliamentarians by ticking the Yes box below. You do not have to supply their names but you are required to either publish the membership list on the APPG's website or (if the group has no website) make the list available on request.

10) Group's reporting year
<p>The start date of the group's reporting year for the current parliament is normally the date of the Inaugural Meeting held in that parliament. From this we will calculate the end date of the group's reporting year (which will be one year after the start date, less one day) and the group's reporting</p>

deadline (which will be four months from the end date). The day and month of the start and end dates and of the reporting deadline normally remain the same for each successive reporting year within a parliament.

The significance of the reporting year is as follows. The group must hold its **AGM** after the end of the group's reporting year and before its reporting deadline. Full details about both requirements are in the [Guide to the Rules on APPGs](#) and the group will be sent a reminder about them at the end of its reporting year.

If, exceptionally, the group wishes to request a different reporting year (eg if it is a charity in addition to being an APPG so reports to the Charity Commission), please briefly explain why this is needed in the box below and include the start date, end date and reporting deadline of your proposed reporting year.

11) Please supply details of financial benefits received by the group

A financial benefit involves a transfer of money from a donor to the group.

Details of any financial benefit received by the group from a source other than IPSA or either House must be registered below, if the total value of the benefit from that source exceeds £1,500 and the benefit was received on or after the date of the group's Inaugural Meeting.

Please avoid using unnecessary acronyms and abbreviations below.

Source of financial benefit	Value (£)	Date received
<i>Eg: Quality Products Ltd</i>	<i>£10,638</i>	<i>11/01/2024</i>
Healthcomms Consulting Ltd (part of the PLMR Group) is paid by the following to act as the Group's Secretariat: Slimming World and Eli Lilly.	£47,000	09/10/24

12) Please supply details of benefits in kind received by the group

A benefit in kind involves a donor giving goods or services (not money) to the group, or paying for these on the group's behalf.

Details of any benefit in kind received by the group from a source other than IPSA or either House must be registered below, if the total value of the benefit from that source exceeds £1,500 and the benefit was received on or after the date of the group's Inaugural Meeting.

Do NOT register secretariat services in this section - see section 13 instead.

Please avoid using unnecessary acronyms and abbreviations below. To register the value please select the appropriate value band from the table in section 18.

Source of benefit in kind	Description of costs met	Value (in bands of £1,500)	Date received
<i>Eg: Quality Products Ltd</i>	<i>Reception held on 11/01/2024</i>	<i>4,501-6,000</i>	<i>11/01/2024</i>

13) Registration of secretariat services provided to the group

- A Group must not accept the provision of a secretariat by a **foreign government**, nor may they accept the services of a secretariat funded by a foreign government. A Group's officers must undertake [due diligence](#) as to whether a foreign government is the eventual funder of a secretariat or other benefit.
- APPGs must register the **name and URL** of the organisation that is acting as its secretariat.
- Registering the **financial value** of secretariat services depends on who pays for them and how much they pay in the course of the group's reporting year to meet the cost of them. The most common scenarios are outlined below to help you determine what, if anything, your group is required to register.

If either of the following scenarios applies to your group, do NOT complete section 13:

- An individual or organisation is paid from parliamentary expenses or parliamentary funding for the time they spend assisting the group. For example, an officer of the group may have a member of staff who is paid by IPSA (the Independent Parliamentary Standards Authority) and provides secretariat services as part of their wider role for the officer concerned.
- An individual or organisation is paid by the group to act as its secretariat, from money given directly to the group from sources outside Parliament.[NB: Although the financial benefit of

secretariat services themselves may not be registrable, the money used by the group to pay for them may qualify as a registrable financial benefit - see section 11].

If neither of the above scenarios applies to your group, read the guidance below on estimating the value of staff time.

Estimating the value of the staff time donated by the secretariat to the group in the group's reporting year

The value is the estimated annual cost to the secretariat, based on the hours the secretariat's staff are likely to work for the group over the course of the group's reporting year, multiplied by their hourly rate of pay. Wherever possible the estimate should be based on the full costs met by the employer (eg pension contributions, office accommodation and any other costs for which figures are available).

Include in your estimate any money the secretariat is paid during its reporting year by any other organisation specifically for the purpose of providing secretariat services to the group. (An example of this would be a consultancy that is paid by one of its clients to be the group's secretariat). This will give the combined annual estimate of the costs borne by all the organisations involved.

If your estimate is £1,500 or less only - complete boxes 13 a-b below.

If your estimate is more than £1,500 - complete boxes 13 a-f below.
